Summary

An Emmy Award-winning video editor, VFX artist, and sound designer, I have broad experience in both the fast-paced environment of live television and the longer post-production world of big screen films. With experience using RED Epic Dragon, 3D and 360 degree cameras, I have shaped films from start to finish.

Selected Works

"Gradually, Then Suddenly"	History Making Productions
MLB Tonight	MLB Network
"The Game of Your Life"	College Football Hall of Fame
"Saturday Night Live: Control Room"	Saturday Night Live: The Exhibition
